Induction Program

BIJNI, August 2: The induction program of B.Sc. 1st semester students held on 2nd August, 2024 at Departmental class room of Botany department. A total 14 students of Major participated in the program. Professor Dr. Jabin Chandra Ray (HoD), Lily Devi Assistant professor and Anindita Bhattacharjee Guest faculty present in the program. College induction programs provide a crucial, stress- free transition from high school to higher education.

Freshman Social Day

BIJNI, August 30: The students of the 3rd and 5th Semester of the Department of Botany organized a Freshers' Day on 30 August, 2024, at the B.G. Basumatary Auditorium Hall of Bijni College. All the first-year Major students enthusiastically participated in the programme with great interest and excitement. The event was organized to warmly welcome the newly admitted students and encourage interaction among them. Principal Dr. Birhash Giri Basumatary, Vice-Principal Sabita Ray, Dr. Jabin Chandra Ray, Head of the Department, Lily Devi, Assistant Professor, and Thunlai Brahma, Guest Faculty, were present at the programme and extended their best wishes to the freshers. College Freshers' Day is a traditional welcome event for incoming first-year students, providing them with an opportunity to become familiar with the college environment and build new friendships.

Workshop

BIJNI, September 6: The department of Botany organized a departmental 'workshop on Research Methodology' on 6 September, 2024 at Conference hall. The program started from 10.00 A. M. A total 23 students participated in this program. The recourse persons were Dr. Prasanta Das and Dr. Sulabh Das present in this program. Dr. Jabin Chandra Ray HoD, Lily Devi Assistant prof. and Anindita Bhattacharjee Guest faculty were also present this workshop.

Parent -Teacher meet

BIJNI, September 16: The Department of Botany organized a Parent-Teacher Meet on 16th September, 2024 at 11:00 A.M. in the Teachers' Conference Hall of Bijni College. The meeting provided an opportunity for parents and teachers to discuss students' academic progress, attendance, and overall development. Parent-Teacher Meetings (PTMs) are essential as they create a strong support system between home and college, encouraging better communication, understanding, and cooperation for the holistic growth and academic success of students.

Wall magazine

BIJNI, September 2025: Departmental wall magazine for 2024-25 'NAHOR' was released on 25th September, 2024 at B.G. Basumatary Auditorium Hall at 11.00 A.M. Professor Abdul Kader Hussain Assistant professor, department of Mathematics inaugurated the wall magazine. The main Theme of this year wall magazine was 'Medicinal Plants'. A departmental wall magazine is a creative, student-curated notice board or bulletin that highlights academic research, creative writing, and art.

Departmental Seminar

BIJNI, September 25: A departmental seminar was arranged on 25th September, 2024 for the session 2024–25 at B.G. Basumatary Auditorium, Bijni College. Thirty-seven students participated. Abdul Kader Hussain, Assistant Professor, Department of Mathematics, was present. Dr. Jabin Chandra Ray, HoD, Lily Devi, Assistant Professor, and Anindita Bhattacharjee, Guest Faculty, were also present.

Field Study

BIJNI, November 19: The department of Botany arranged a field study for Ist, 3rd and 5th semester students to 'Manas National Park' at Borpeta district of Assam. A departmental meeting was held on 6th November, 2024 regarding field visit and formed a committee, Rasidul Islam President and Sushanta Basumatary Secretary.

Exchange Program

BIJNI, December 24: Faculty and students exchange program was held on 24th December, 2024 at Bijni College between Bijni College, Botany department and Basugaon College, Botany department. Faculty exchange programs are vital for colleges because they break academic silos, bringing fresh perspectives and global teaching methods into the classroom.

Departmental Meeting

BIJNI, March 12: Departmental meeting was held on 12th March, 2025 regarding the forthcoming 'Internship' for FYUGP 4th semester students. A total of 12 students were present in the meeting. Dr. Jabin Chandra Ray, HoD, and Lily Devi, Assistant Professor, were present in the meeting and guided students regarding internship procedures and requirements.

Add-on Course

BIJNI, March 21: Inauguration of Add-on course of Botany department was held on 21st March, 2025. The title of paper was '*Ethnomedicinal Plants*'. The meeting was held at Conference hall at 11.00 AM. A total 25 students present in this program. Dr. B.G.Basumatary Principal, Dr. Babul Basumatary, Dr. Jabin Chandra Ray HoD, Lily Devi Assistant professor and Anindita Bhattacharjee Guest faculty was present in the meeting.

Farewell

BIJNI, May 3: The 2nd and 4th Semester students of Botany department arranged a farewell ceremony for outgoing 6th Semester students of botany department. The venue of this program was Smart room of Botany department. A department-level college farewell program is a vital transition ritual. It celebrates graduating student's achievements, honors the faculty-student bond, and builds lasting alumni networks. It also gives juniors a chance to develop leadership skills by hosting and managing the event.

Field Visit

BIJNI, May 19: The Botany Department of Bijni College arranged a field visit programme for 2nd and 4th Semester students on 19th May, 2025 to the agricultural field of Sarbeswar Basumatary (Padma Shri) at Panbari, Bijni. It was a part of the Internship Programme for 4th Semester students. The visit provided valuable exposure to modern agricultural practices and experiential learning opportunities. Teachers Dr. Jabin Chandra Ray, HoD, Lily Devi, Assistant Professor, and Anindita Bhattacharjee were also present during the programme. Field visits for college students transform abstract textbook theories into hands-on, practical realities.

Internship Presentation

BIJNI, May 7: After completion of internship program, students of 4th semester appeared a presentation and Viva voce program on 7th May, 2025 at Smart Room. Syed Jawahar Hussain Assistant professor Department of Physics was present as an External Evaluator for the Presentation and Viva-voce. Prof. Dr. Jabin Chandra Ray HoD, Lily Devi Assistant professor and Anindita Bhattacharjee Guest faculty were present in the program. Internship bridge the gap between classroom theory and real-world execution.

Certificate Distribution Ceremony

BIJNI, June 26: A certificate distribution ceremony of Add-on course was held on 26th June, 2025 at Conference hall of Bijni College. A total 26 students was present in this ceremony. Principal Bijni College Dr. B.G. Basumatary, Dr. Jabin Chandra Ray HoD, Lily Devi Assistant professor and Anindita Bhattacharjee Guest faculty were present in the ceremony. Add-on courses bridge the gap between standard academic curricula and evolving industry demands.
