Report on Awareness generation on sharing of corruption related information

Organized Awareness generation on sharing of corruption related information by the students and teachers on 22-02-2023

Bijni College, Bijni organized an Awareness generation on sharing of corruption related information on 22nd February, 2023 to share various information related to different types of corruption prevalent in our society. At the beginning of the meeting, the Principal Dr. Birhash Giri Basumatary addressed the students about the menace of corruption and its bad impact. He said that every citizen of our country should be aware of the problem of corruption and its impact on society. The Vice-Principal addressed the meeting and advised the students to be alert and aware about the influence of corruption on their life. The Resource person Bibekananda Roy, HOD, Pol. Science Department elaborated about different categories of corruption and various constitutional and legal remedies against it. Finally, the awareness meeting came to an end by few interactions from the students and vote of thanks from the Co-ordinator, IQAC, Dr. Arup Sarkar.
