About the Workshop:

The One Day State Level Workshop on “ICT in Research & Research Methodology” is organised by the Asomiya Sahitya Chora in collaboration with the Department of Assamese, Bijni College. The Asomiya Sahitya Chora functions as an active literary forum of the institution, committed to fostering interest in Assamese literature, language, and culture through academic, literary, and co-curricular engagements. The Department of Assamese, since its inception, has been devoted to the advancement of Assamese language and literature, while simultaneously encouraging critical inquiry, cultural consciousness, and scholarly research among students. The department consistently undertakes initiatives to integrate traditional literary studies with contemporary approaches, including the application of modern research methodologies and ICT tools. The present workshop is a reflection of this commitment, aiming to promote a research culture within the academic community and to equip participants with the necessary skills to engage in systematic and technology-supported research activities.
