The imagination cannot simply mean anything, unless it is the product of the intellect. This paper aims to explore the blending of imagination and intellect in Shelly's theory of poetry. The paper aims to explore the blending of imagination and intellect in Shelly's theory of poetry. The paper aims to explore the blending of imagination and intellect in Shelly's theory of poetry.</p> <p>Keywords: imagination, romantic poetry, theory of poetry, intellect, intellect.</p> <p>Introduction: The renowned Romantic poet, P. B. Shelly was instrumental in serving the ideas of romantic philosopher William Goethe, who by and large also influenced Wordsworth and Coleridge. Lord Byron and Shelly both can be included as the first democratic poets of Europe as they fought for the cause of freedom and human rights. Shelly's poetry reflects his creed, it turns a violent reference and it turns a dreamer and visionary. Liberty was the essence of his poetry. His revolutionary spirit has optimistic core tones. Unlike Byron, who is always supported by a double of intellect, Shelly is inspired by love, a love not limited to material but extended to every living creature, to animals and</p>

The imagination cannot simply mean anything, unless it is the product of the intellect. This paper aims to explore the blending of imagination and intellect in Shelly's theory of poetry. The paper aims to explore the blending of imagination and intellect in Shelly's theory of poetry. The paper aims to explore the blending of imagination and intellect in Shelly's theory of poetry.</p> <p>Keywords: imagination, romantic poetry, theory of poetry, intellect, intellect.</p> <p>Introduction: The renowned Romantic poet, P. B. Shelly was instrumental in serving the ideas of romantic philosopher William Goethe, who by and large also influenced Wordsworth and Coleridge. Lord Byron and Shelly both can be included as the first democratic poets of Europe as they fought for the cause of freedom and human rights. Shelly's poetry reflects his creed, it turns a violent reference and it turns a dreamer and visionary. Liberty was the essence of his poetry. His revolutionary spirit has optimistic core tones. Unlike Byron, who is always supported by a double of intellect, Shelly is inspired by love, a love not limited to material but extended to every living creature, to animals and</p>

Approximately 70% of Indians make their living either directly or indirectly from agriculture. In India, women work in agricultural laborers, supervisors, or cultivators in farming operations. In a variety of agricultural activities, such as sowing, transplanting, weeding, thinning, applying manure, and pest control, they are heavily involved. In some level processing, they are the primary decision-makers and participants. In addition to being paid significantly less than the recommended rates, women agricultural workers suffer greatly from widespread wage discrimination. The real image of women's</i> </p>	CONTENTS		ENGLISH SECTION		Infrastructure Development and Rural Connectivity in the Bokshai Terrestrial Region (BTR)	13-24	Socio-Economic Status of Women Working in Agriculture, With Particular Reference to Assam's Bongaigaon District	25-35	Impact of emotional intelligence on mental health and its relationship to Wellbeing	36-44	Demography of Uda Pradesh: Trends and Projections	45-63	A Study on Muzrai Production and its Impact on Assam Economy	64-73	Women Empowerment through Skill Development and Vocational Education based on Koladighur District	74-89	Parental Economic Perspectives on Child Rearing: Incosonants, Phositors and Challenges	90-96	Professional Ethics of Teachers and the Challenges of Inclusive Education in the Light of NEP 2020	97-104
