Brief note on Workshop held

Alumni activity Bijni College is characterized by a variety of engagement initiatives that foster professional connections, mentorship opportunities and community engagement. Alumni networks facilitate professional connections and networking opportunities for current students and graduates of Bijni College, providing insights and advice from successful alumni. It offers mentorship programs that pair current students with alumni mentors, offering guidance and support throughout their academic and professional journey. It serves as a conduit for sharing industry insights, job opportunities and professional development resources with current students and graduates. Bijni College has society registered Alumni Association that contributes to the development of the institution and the students through curriculum development, recognition and rewards, and alumni reunions. The activities conducted by them not only support the academic and career success of students and graduates but also contribute to the broader community by providing valuable resources and opportunities.

Report on Awareness Programme on Biodiversity Conservation and Sustainable use of Natural Resources

- **Name of the Programme** : Awareness Programme on Biodiversity Conservation and Sustainable use of Natural Resources In Connection with the Celebration of International Day for Biological Diversity
- **Theme** : Harmony with Nature and Sustainable Development
- **Organised by** : Eco Club in Association with Alumni Association & Department of Zoology, Bijni College
- **Date** : 22-05-2025
- **Venue** : Bijni College
- **Participants** : Alumni, Students and faculty of Bijni College

Objectives of the Programme

- To observe the International Day for Biological Diversity and highlight its global significance with involvement of Alumni.
- To create awareness among students with the involvement of Alumni about biodiversity conservation and sustainable use of natural resources.
- To promote harmony between human activities and nature for sustainable development.

- To encourage student participation in environmental protection and biodiversity conservation initiatives in involvement with Alumni.

Programme Outcomes

- Increased awareness among students regarding the importance of biological diversity and ecosystem balance.
- Enhanced understanding of the concept of sustainable development in relation to biodiversity conservation.
- Active student engagement in discussions related to environmental responsibility.
- Strengthening of environmental awareness activities conducted by the Eco Club and the Department of Zoology.

Detailed Report

The Eco Club of Bijni College, in collaboration with the Alumni Association and Department of Zoology of Bijni College successfully organised Awareness Programme on Biodiversity Conservation and Sustainable use of Natural Resources in connection with the Celebration of International Day for Biological Diversity on 22nd May, 2025. The programme was organised in alignment with the global theme "*Harmony with Nature and Sustainable Development*", with the aim of sensitising students about the importance of conserving biological diversity for the well-being of present and future generations.

The programme began with a brief introduction highlighting the significance of the International Day for Biological Diversity and its relevance in the context of environmental sustainability. Faculty members from the Department of Zoology delivered informative talks on biodiversity, ecosystem services, and the urgent need to protect flora and fauna from the adverse impacts of climate change, pollution, and habitat destruction.

Students actively participated in the programme by engaging in discussions and sharing their views on sustainable development and environmental conservation. The interactive nature of the programme helped in fostering environmental consciousness and responsibility among the participants.

The celebration served as a platform to promote awareness about living in harmony with nature and adopting sustainable practices in daily life. Photographs taken during the programme documented the active participation of students and faculty members, reflecting the successful organisation of the event. The programme concluded with a vote of thanks, acknowledging the support and cooperation of the Eco Club members, the Department of Zoology, faculty members, and students in making the event meaningful and successful.

Report on Counselling programme on Post Graduation Admission Process in Different Universities & Future Career Opportunities

- **Name of the Programme** : Counselling programme Post Graduation Admission Process in Different Universities & Future Career Opportunities
- **Organized by** : Alumni Coordination Committee in collaboration with Career Counselling and Guidance Cell.
- **Date** : 03/06/2025
- **Venue** : Seminar Hall
- **Time** : From 12 Noon to 3 pm
- **Number of Participants** : 20 Alumnus and 30 students & 15 Faculty

Objective of the Programme

1. Help students to know the PG admission processes in different Universities
2. Help students to know the different opportunities after UG in law and Teaching

Programme Outcome

1. Improved Understanding of PG Admissions: Students gained clear insights into postgraduate admission processes across various universities, including entrance exams, eligibility, and timelines.
2. Career Clarity and Direction: The sessions helped participants align their academic interests with suitable career pathways, enhancing their decision-making confidence.
3. Guidance from Expert Speakers: Resource persons provided valuable advice, shared real-world experiences, and addressed student queries, making the sessions interactive and practical.
4. Enhanced Motivation and Awareness: The program motivated students to actively plan for their future and avoid common pitfalls, equipping them with strategies for academic and career success.

Detailed Activity Report

A counselling programme on post-graduation processes and future career opportunities was organized by the Alumni Coordination Committee in collaboration with the Career Counselling and Guidance Cell of Bijni College on 3rd June 2025 in the college seminar hall. The event began with a welcome address by the Convenor of the Alumni Coordination

Committee, Lipika Dey Dutta followed by the introduction and felicitation of alumni with phulam gamochha.

Three alumni served as resource persons: Mr. Siva Brata Das, Advocate of Bongaigaon Court, spoke about career options in law after graduation; Ms. Nabanita Basumatary discussed opportunities in teaching careers after graduation; and Mr. Anirban Ray from the Department of English, Bijni College, explained post-graduation admission processes in various universities. An interactive session followed, where students engaged with the speakers.

Around 20 alumni and 30 students attended the programme. The event concluded with a vote of thanks delivered by Mr. Malay Kumar Chanda, Convenor of the Career Counselling and Guidance Cell.
