## Facilities for Differently Abled

### BIJNI COLLEGE

#### Overview of Accessible Facilities

Bijni College strictly follows the Rights of Persons with Disabilities (RPwD) Act, 2016 which is made mandate for educational institution to be followed. It is mandating accessibility, inclusive education, employment reservation and emphasizing individual autonomy and non-discrimination for full societal participation. Bijni College provides minimum accessible facilities, including physical infrastructure.

#### Short introduction to the institution's commitment to a barrier-free campus

Bijni College demonstrates its commitment to a barrier-free campus by adopting policies and implementing infrastructure changes that promote accessibility and inclusivity for all differently abled students, staff, and visitors. This commitment encompasses physical, digital, and ensuring equal opportunities for individuals with diverse needs.
