Internal Quality Assurance Report

The Soft Skill Programmes on Programming Language organized by the Departments of Physics, Bijni College has been a valuable initiative in enhancing skill of students. The programming has enhanced students' ability to turn technical knowledge into usable, high-impact work and directly impacting project success. The training has improved collaboration, faster problem-solving through better communication, adaptability to new technologies, and the ability to bridge technical jargon with technical needs. The programme concludes on a positive note, leaving students with a sense of intellectual understanding and exploration about programme language.
