2. Develop Awareness of Digital Financial Safety by identifying common cyber threats related to online banking and digital payments.
3. Explore Career Opportunities in Finance in banking, insurance, investment, accounting etc.
4. Strengthen Career Planning and Motivation

Detailed Report:

A Webinar on Unleashing the Power of Wealth Management Educational Motivational Training Programme was organized as an Educational and Motivational Training Programme with the objective of enhancing teaching and non-teaching staff understanding of financial management, wealth creation, cyber security awareness, and career opportunities in the finance sector. The webinar aimed to equip participants with practical knowledge and motivate them to make informed financial and career decisions.

The webinar was delivered by Mr. Soumen Naha, a financial literacy training and certified SEBI trainer. The training lecture delivered by Mr. Soumen Naha focused on enhancing participants understanding of financial literacy and career development in the finance sector. He began by explaining the basic goals of financial management, emphasizing wealth maximization, financial stability, and disciplined money management. He clearly distinguished between assets and liabilities and suggested practical strategies to reduce unnecessary debt and build income-generating assets. The importance of early financial planning and systematic savings was strongly highlighted. Mr. Naha also addressed cybersecurity precautions, advising students to practice safe digital transactions, use strong passwords, and remain alert against online financial fraud. In the career guidance segment, he discussed various opportunities in banking, insurance, investment, and fintech, encouraging students to develop communication skills, analytical ability, and a positive mindset.

The lecture concluded with an interactive session in which he motivated participants to adopt responsible financial habits and set clear career goals for long-term success.

Internal Quality Assurance Report

The "Webinar on Unleashing the Power of Wealth Management Educational Motivational Training Programme," spearheaded by the Internal Quality Assurance Cell (IQAC), empowers faculty with critical financial skills. Sessions like these build long-term economic resilience through disciplined savings, inflation-beating portfolios, and early-start compounding advantages. It bridges the gap between basic savings and active wealth creation. It addresses market myths and equipping attendees to navigate complex financial environments. It provides quality financial education to foster lifelong financial well-being. It details breakdowns of income allocation, emergency funding, and goal-oriented investment structuring. It gives deep information on wealth accumulation tools: Deep-dives into the power of compound interest and systematic investment strategies. Interactive sessions designed to break hesitation and build confidence in managing personal and professional finances. The outcomes of the training armed with actionable personal finance playbooks and an enhanced understanding of asset classes.
