Editor's Note

It is with immense pleasure and a deep sense of satisfaction that we present the Second Edition of ***The Prism*: *Annual Chronicles***, the IQAC Newsletter of Bijni College, Bijni, for the academic session 2025–26. This edition is a sincere endeavour to document and celebrate the vibrant academic, co-curricular, cultural, social, and institutional activities that have shaped the journey of our college during the year. The pages of this edition bring together diverse initiatives undertaken by various cells, departments, and student bodies, reflecting our continuous pursuit of quality enhancement and holistic education. From the induction of our newly admitted students and academic engagements to workshops, seminars, career guidance, skill-development programmes, sports, cultural activities, and community outreach, each initiative represents an important step towards creating a dynamic and meaningful learning environment. The year has also witnessed a strong emphasis on student empowerment and social responsibility. Programmes on employability skills, financial literacy, health awareness, women empowerment, anti-drug campaigns, HIV/AIDS awareness, and legal awareness have provided students with opportunities to develop not only academic competencies but also the knowledge, confidence, and values required to become responsible citizens. Equally significant are the initiatives reflecting our commitment to environmental sustainability and indigenous knowledge. Activities such as Earth Week, waste management and sustainability drives, nature camps, natural-colour preparation, and the celebration of traditional Bodo food practices demonstrate the college's efforts to connect education with environmental consciousness, cultural heritage, and community life.

I hope that ***The Prism*** will continue to serve as a meaningful record of our institutional journey and inspire the entire Bijni College community to strive for greater excellence in the years ahead.

Campus monitoring activity

Bijni College, August 1, 2025: The Code of Conduct Monitoring Committee under IQAC, Bijni College, carried out its monitoring activity on 1st August 2025 at 1:30 p.m. with five members present. The inspection covered classrooms, stairways and common areas to ensure discipline and hygiene. It was observed that the peaceful environment was disturbed by motorcycles with loud exhausts, while the entry of cows, goats and pigs created unhygienic conditions through droppings and sometimes damaged resources. Another concern was the lack of adherence to the uniform dress code. Though the college has a mandatory system, many students neglected it. At the postgraduate level, particularly in the Department of English, the absence of a dress code led to attire choices seen as inappropriate. A few female faculty members were also observed without professional attire, impacting institutional decorum. The committee stressed stricter dress code enforcement, prevention of stray animal entry, and regulation of noise to uphold discipline, equality and the institutional image of Bijni College.
